

Your Graduates Think Like Lawyers— Can They Work Like Lawyers?

Law school teaches you how to think.
We teach you how to work.

Employers Demand Immediate Contributors, Not Six-Month Training Projects

The Skills Gap Costs Careers, Confidence, and Your School's Reputation

Unprepared Graduate

1 Struggling Associate

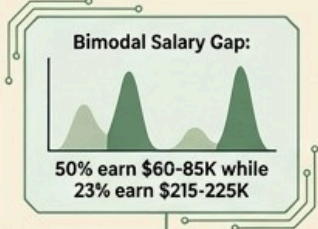

Stress & Long Hours

Frequent Mistakes

Low Confidence

2 Dissatisfied Employers

Crossed Arms & Declining Satisfaction

Broken Trust

High Turnover Risk

3 Damaged School Reputation

Declining Ranking Charts

Unhappy Alumni

employment rate masks readiness crisis
Hidden lack no skills of skills to nos even law skills or a peorsiless.

Competitive Disadvantage

Delphoria Learning Equips Students With Skills That Separate Thriving Associates From Struggling Ones

Real-world expertise from Apple Legal Ops, DOJ, and AmLaw 50 practice.

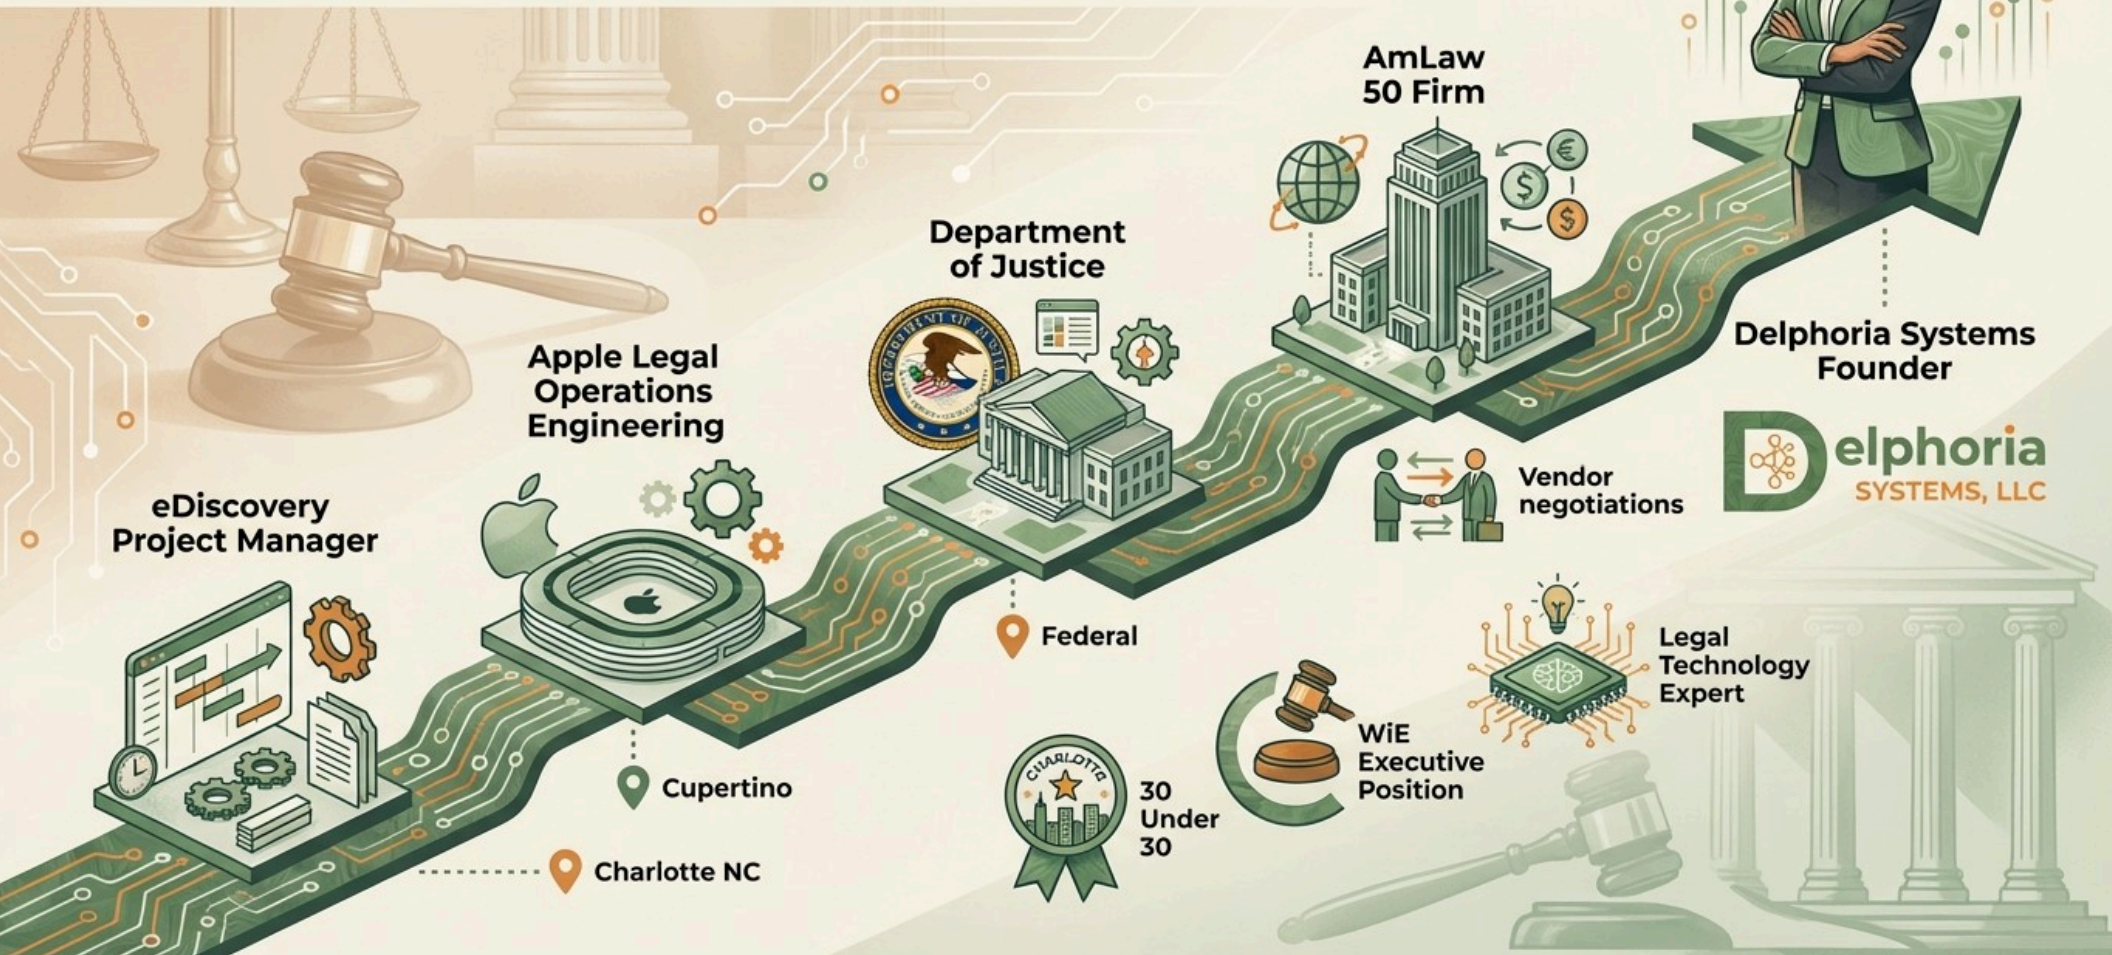

Teaching From the Trenches, Not the Textbook

"This inside-out view of the industry has taught me what works, what breaks under pressure, and what risks are hiding around the corner."
